The Sleds of Stafford Snowmobile Club would like to invite you to attend our Vintage Snowmobile and Outdoor Show, Sunday, September 18. Set up your display and promote and sell your products. Vendors will have plenty of room as you will be set up on the driving range.

In setting up your display, we ask that you sponsor a trophy at the cost of \$30. In return you will be listed as a show sponsor on all show advertisements, handouts at the show, and announcements throughout the day on the PA system.

Display set up will begin at 8am. We suggest getting there early to be assigned a spot and get set up before the gates open at 10am. Many new vendors have been invited again this year.
